## Searching for a TV

The TV in the Social Quarters has decided it's done and the way things have gone this last year with Covid, we just can't afford to replace the 50" we have.

So, if you have a 50" plus that you'd like to donate or know of a large T.V. in our budget, please let us know.

We need a T.V. before football starts and there are NASCAR races with Ross Chastain in the Moose car, we'd like to plan around.

## Social Quarters Help

Thank you to **Lisa Timmons** for bartending on Wednesday nights and **Bailey Byam** who bartends Thursday - Saturday, when she is able.

We need more bartenders! Sunday is also available, if you work weekdays.

**Bailey** has a full-time job at Safeway, so her schedule changes by the week, she also works as Administers assistant here and she is Senior Regent this year. That's why she doesn't have a regular schedule in the bar.

Until we have a Bar Manager that can work regular hours, it's the best we can do. I'll continue to send out emails when I can.

## A Note From the Senior Regent

The picture included is me eating my first cookie ever, at the Lodge. I have so many wonderful memories and have met amazing people that will always hold a special place in my heart.

I decided to take a bigger role in the Chapter when I realized how much it was struggling, from lack of participation. Being an officer for the Chapter is a ton more fun than I thought it would be. My goal is to help bring the Chapter and Lodge back the way they were when I was a kid. I especially remember the dances, Children's Holiday parties, picnics, breakfast and when every holiday, no matter how small, was a reason to get together with friends and family. But, in order to do that we need to get participation up. I know with Covid it is very difficult, but following our state mandates, we can get there.

State convention is coming up fast and I'm hopeful I get to go to my first convention in Pasco. My first memory of a chapter convention was when I was eight years old and my mom left my brothers and myself home with our Dad. We were all in the backyard when a helicopter flew overhead. In my little red

boots I ran over to the fence to stand on a pile of wood to get a better view and stepped on a nail, it went through my boot and into my foot. I started crying and my Dad took me into the house, sat me on the counter and called my grandma for advice, then he pulled the nail out of my foot. I got lots of fun goodies when my mom got back from convention, saw lots of pictures and heard many fun stories. Since that day I've wanted to go to a Moose convention and now I have my chance. So, if you can keep an eye out for an upcoming event/fundraiser, I'm beyond excited and I get to plan my first big Chapter event.

I've enjoyed meeting all the new members and can't wait to meet the ones I haven't, yet. If you have any questions or help with anything, please feel free to call 425-410-9188.

Thank you,  
**Bailey Byam**
