November 2020

Kennewick Moose Lodge #482/Chapter #1204 PO Box 2303, Pasco WA 99302

From the Desk of the Governor...

Hello Again,

Another month has passed, and the holidays are coming fast. The Women of the Moose put on a wonderful Thanksgiving dinner in October and the turnout was great. I would also like to say that the reopening dinner went very well and a big thanks to everyone that donated, it is greatly appreciated. The Queen of Hearts pot is growing very quickly, and we are getting closer every week to a winner, with the number of members coming in on Friday nights. I feel like this is beating a dead horse but we are truly in need of more volunteers, please don't be shy, if you would like to help you can ask any of the board members about what you would be interested in helping with. It's nice to see all of you faces in the lodge but while traveling around inside the lodge please be mindful that face coverings are still required.

Dave Hilbert

Volunteer

"I don't want to get involved, I just want to come in a have a few drinks every now and then" ... well, this whole lodge runs on Volunteers. Just sacrifice a couple of hours once a month ... anything ... we aren't asking you to cook all the time ... a couple hours a month. *Make a difference*, help us keep this lodge going. Without volunteers to cook on Wednesdays or Fridays, there will be no specials on those days ... which means no extra

income. *It goes full circle*. Don't wait to see if someone else will do it first ... do it now ... step it up ... be a part of the solution. Pick a date, pick a position, sign up!! Thank You!!

Volunteers are our life's blood. Without them we would not have a Lodge. We need volunteers to help with dinners – prep work, serving, cooking, clean-up. We need volunteers to help with Bingo – paperwork and calling (it's not difficult to learn). We need volunteers in the Social Quarters, with General Cleaning. We also need people willing to step up and take on leadership as Officers and Committee Chairpersons of both the Lodge and Chapter. One night a week, a few hours a night would help lighten the load few already carry.

Happy November Birthday

If this is your Birthday month, **HAPPY BIRTHDAY!!**

Come into the Social Quarters for your FREE drink! Each member will receive a free drink (well drink or beer) during their birthday month.

DAY #20

Well, guess who decided to take advantage of his time at home and finally learn to play the drums? My Neighbor! I'm gonna kill that guy

DAY #46

Just visited an island to twirl my toes in the sand... OK, it's a kitchen island, and I've got my foot in the litter box. I'm just trying to make the best of this whole thing.

DAY #67

Left the house today, while I was on my walk, I saw a Mom and her daughter playing in their front yard. I stood there and smiled at the love I saw. It made me happy. Then I realized I was wearing a mask and they couldn't see me smiling, so I was just a creepy old lady staring at a Mom and her daughter from across the street. I went back in the house.

DAY #81

We've been quarantined so long that my Daughter is starting to finish all my sentences.....that is, if all my sentences ended in "please be quiet."

Member Orientation Program And Appreciation Dinner

Many of us forget that members really know little about how the Fraternity, or for that matter, how an individual lodge or chapter, operates. People want to believe that they joined an organization with a higher purpose, as well as one that celebrates life through activities and friendships at the local level.

Mission of the Moose: An International organization of men and women, dedicated to caring for young and old, bringing communities closer together and celebrating life.

What does that really mean?

- 1. We care for children in need from throughout the world at Mooseheart Child City and School, just west of Chicago.**
- 2. We provide for our senior members at Moosehaven, a 72-acre retirement community in Orange Park, Florida along the St. Johns River.**
- 3. We generate \$70 - \$100 million worth of community service activities annually.**
- 4. We have fun doing so and develop life-long bonds with brothers and co-workers through the Fraternity.**

Please join us on Thursday, November 19, 2020 as we introduce you to YOUR fraternity. We will also be providing a spaghetti dinner as an appreciation to all our members. We will start serving dinner at 5:30 with the Member Orientation to follow.
