From the President's Corner.....

Hello Moose Members!

Well - it was definitely March Madness around the Lodge this past month!!

Absolutely fabulous weekend events with great music and a record-breaking sales night at our St. Patrick's Day Party! Thank you to everyone who attended and waited patiently for food and drinks!

As I look back on the year I have been in office - I can't help but be extremely proud of what we have accomplished. So much of what was done was behind the scenes but here are some of the visual things... From receiving our first Moose Grant, (yes - the side yard project will begin shortly) Overhauling our menu, Pizzas!! Hot Dogs! Condensing meeting nights, Fabulous specialty dinners, Wonderful parties and events, Fixing our flag pole, Working on long overdue maintenance issues, Establishing a great bar team, Raising money for new blinds and installing them! and Finally investing our saved money in CD's and truly examining and getting control of our finances.

As most of you are aware by now, I will not be running again this year for President of the lodge. Personal and business demands just will not allow me to take on the role and do it the justice it deserves. That being said, I will absolutely take the role of Junior Past President seriously and to heart. I will be there to support the lodge and advise our new team of officers the best that I can.

Words can't express the gratitude that I have for those of you who gave selflessly over the past year to accomplish all that we did. I couldn't have done it without you.

In the words of Clint Black, I am definitely leaving here "A Better Man" .

Regards,

Gary

WOTM Chapter #1492 News

Hi Everyone!

March has been another bang-up month. The Chapter had a fantastic attendance record at the annual Conference held at Peninsula. Not only is it fun, but, most importantly, we all come back just a bit wiser and get to see and meet other participants from all over the state.

This will be my last newsletter as we wind up the Chapter year. We do not know what is around the corner for our Chapter. The Senior Regent position remains open with no nominations at this time. Please consider helping our Chapter by attending meetings on the second and fourth Tuesdays of the month at noon.

Silver Star Search and Rescue is our April fundraiser. This organization provides assistance for East County Fire & Rescue as well as crime scene search for the local Sheriff's Departments. They perform multiple litter carryout rescues on the hiking trails in the Columbia River Gorge, and also conduct winter rescue missions via snowmobiles, and so very much more. As a joint fundraising effort for the Lodge, Legion and Chapter, raffle tickets for a "BEERS and CHEERS" basket are being sold with the drawing on Sunday, April 28th.

So, as I say goodbye to my Senior Regent position, I plan to continue the Heart of the Community position for the Lodge.

April showers bring May flowers as well as a new Chapter year.

Bonnie Curtis
Senior Regent and
Heart Of the Community Chair
